This achievement would not have been possible without the Foundation's encouragement. I was a strong learner in first year, but when I fell short in second year, I expected a lashing from PFEF. Instead I was encouraged to strive for excellence.

"Thank you PFEF. I will always be guided by your moral principles. And thank you to my parents for everything."

*The growth achieved by myself, and now my son, has only been possible thanks to Polyoak's commitment to people. The 'Doors of Opportunity' are evident in the Bursary Fund. Polyoak has uplifted my family, paving the way for a brighter future."*
